<b>Stefano Ronchi</b>	(Politecnico di Milano)

## SPECIAL CALL FOR RESEARCH PROPOSALS

IPSERA and AiIG would like to welcome doctoral students to attend the 10<sup>th</sup> Doctoral Workshop organized on Wednesday, October 15, 2014. The general aim of the meeting is to further improve research in the area of Purchasing and Supply Management.

The objective of the workshop is to assist PhD students in developing and improving their research projects. Participants will have the opportunity to present their research proposals, which will be discussed by their colleagues and renowned senior faculty. The emphasis is on methodological issues.

Doctoral candidates or young researchers interested in attending and presenting their projects should send an extended abstract (5-6 pages) by June 15<sup>th</sup>, 2014 to the e-mail [aiigdw2014@ing.unict.it](mailto:aiigdw2014@ing.unict.it).

There will be no fee for the Doctoral Workshop. All the accepted papers will be included in the XXV AiIG Conference Proceedings taking place in the following two days. The number of participants is limited.

The Workshop will be also an opportunity to organize a meeting among IPSERA international nodes in order to discuss and investigate potential opportunities related to Horizon 2020.
